Fantastic Stuffed Burgers!

84 26

Their stuffed burgers are fantastic. I got the Patriot Burger which is stuffed with bacon and cheddar. My wife ordered the Swiss Stuffer which is stuffed with swiss and mushrooms. I don't know how they keep it all together while cooking, but they were cooked just right and tasted awesome! Gluten free buns and pizza crusts are also available. Highly recommended!

I got "The Crumbler" when I was there. It was amazing! We were told they have the best burgers in the county, and I can understand why. The waitress was friendly, attentive, and helped us decide between options when we were struggling to decide. I would definitely recommend this place
